

## Station 2

### TRAIN PROFESSIONAL SKILLS AND COMPETENCES BEFORE UNDERTAKING A (EU) WBL MOBILITY PROGRAM

***Trigger questions:***

- What kind of professional skills and competences are required to undertake a WBL program?
- How could a SEN student train professional skills and competences and get ready for a WBL program before undertaking it?
- How could a SEN student use VR to train her/his *professional* skills and competences?
- By the way, what could be the limits of VR instead?
- ... (add the question that comes to your mind that you cannot find here)
